CARLTON

CLASSIC SETTING

Built around our classic four-legged steel frame, the Carlton Setting is a practical and durable choice for outdoor dining areas. Designed and manufactured in Melbourne, it features your choice of premium timber and matching benches that slide neatly beneath the table.

Create Your Perfect Setting

Simply customise your furniture by selecting:

- **Your timber**
- **Your top finish**
- **Your powder-coated frame colour**
- **Your preferred size(s)**

Each setting is custom built to your specifications.

Timber Options

- **Merbau**
- **Spotted Gum**
- **Oak / Ash**
- **Ekodeck (Only available in Inset Top Finish)**

Table Top Finish Options

- **Classic Inset Top - Timber boards sit neatly within the steel frame for a clean, traditional look.**
- **Edge-to-Edge Top - Timber extends across the full width of the frame, creating a seamless contemporary finish.**

Set includes

- **1 Table**
- **2 Benches**

Optional Add-Ons

- **Lockable castors for mobility**
- **Welded brackets for permanent installation**
- **Adjustable feet for uneven surfaces**
- **Umbrella hole**
