CARLTON EKODECK SETTING

Contemporary in design to make the most out of your space, with no maintenance Ekodeck slats.

Our Designer Series boards are a step forward in composite technology. Transform the look of your outdoor space with high-end, natural finishes that are specifically made for Australian conditions. Ekodeck is a composite material made from reclaimed timber and recycled plastic, which means that Ekodeck looks and feels like natural timber, but never requires oiling and is naturally weather resistant.
