

JND TIMBER & STEEL

PARK BENCH

Ekodeck / Spotted Gum

A modern twist on the classic park bench, this strong and beautifully crafted design features wide timber slats for a premium, substantial finish, available in 135mm Spotted Gum or 137mm Ekodeck. Choose from our Classic 4-Legged Frame or Cube Frame Legs, along with your preferred seat top finish. Built with a fully welded, galvanised steel frame and powder-coated in the colour of your choice for lasting durability.

Bench

- Available in multiple size options
- Features wide 135mm Spotted Gum or 137mm Ekodeck Slats
- Other timber options and slat sizes available on request
- Choice of Classic 4-Legged Frame or Cube Legged Frame
- Galvanised steel powder-coated frame
- Choice of Seat Edge-to-Edge Top or Inset Top finish

Please note: Ekodeck has a different colour on the reverse side of the slats, which will be visible from the back of the bench.
