

RAW STEEL BAR

CLASSIC SETTING

With its industrial-inspired design and robust construction, the Raw Steel Bar Set is built for busy hospitality venues. Featuring a durable raw steel frame paired with your choice of premium natural timber slats, it delivers a rustic yet refined look that's ideal for bars, breweries, wineries, cafés, pubs, and outdoor dining spaces.

Create Your Perfect Setting.

Simply customise your furniture by selecting:

- Your timber
- Your top finish
- Your powder-coated frame colour
- Your preferred size(s)

Each setting is custom built to your specifications.

Timber Options

- Merbau
- Spotted Gum
- Oak / Ash
- Modwood

Table Top Finish Options

- Classic Inset Top - Timber boards sit neatly within the steel frame for a clean, traditional look.
- Edge-to-Edge Top - Timber extends across the full width of the frame, creating a seamless contemporary finish.

Set includes

- 1 Table
- 2 Benches

Optional Add-Ons

- Lockable castors for mobility
- Welded brackets for permanent installation
- Adjustable feet for uneven surfaces
- Umbrella hole
- Matching Stool
